time instruments for use online and in online virtual worlds; downloadable computer software relating to virtual goods, digital assets, digital items, digital art and digital collectibles for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, animal furs, blankets, carpets, rugs and mats, mats and carpets, textile goods, luggage, bags, wallets and other carriers, clothing, footwear, headwear, glasses, sunglasses and contact lenses, jewelry, key rings and key chains and charms therefor, smartwatches, sporting articles and equipment for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, furniture and furnishings, tableware, cookware and containers, paper and plastic boxes, stationery, writing implements, body cleaning and beauty care preparations, cleaning and fragancing preparations, household utensils for cleaning, treatment for materials, including anti-rust treatment for vehicles, room fragrances, skin, eye and nail care preparations, sweeping, cleaning, washing and laundering machines for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, apparatus and instruments for accumulating and storing electricity, engines, powertrains, and machine parts, and controls for the operation of machines and engines, computer accessories, digital projectors, display devices, television receivers, peripherals adapted for use with computers and other computing devices, and point-to-point communication equipment for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, articles for use with tobacco, chocolates, candies, drinks (non-alcoholic), cases for mobile phones, tins of metal, toys, games, playthings and novelties, art, toys, trading cards, umbrellas and parasols, audio/visual

الإمارات العربية المتحدة وزارة الاقتصاد

and photographic devices, audio devices, film and video devices for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, covers for vehicles, fragrances for automobiles, heaters for vehicles, land vehicles and their parts and accessories and conveyances, lighting apparatus for vehicles, parts and fittings for vehicles, seat covers for vehicles, vehicle HVAC systems, vehicle parking and storage, vehicle seats for children, vehicle tyres, vehicles wheels and rims, vehicles and bicycles for use online and in online virtual worlds; downloadable computer software relating to virtual goods, namely, heating, ventilating and air conditioning and purification equipment, lighting and lighting reflectors, navigation devices, optical devices, enhancers and correctors, safety, security, protection and signaling devices, hand operated tools and implements, lifting tools, moving and handling equipment, protective and safety equipment, refrigerating and freezing equipment, and time instruments for use online and in online virtual worlds; downloadable computer software for interactive virtual worlds for use via a global computer network and through various wireless networks and electronic devices; downloadable software for accessing and streaming multimedia entertainment content; downloadable software for providing access to an online virtual environment; digital media, namely, digital art, in particular, animations, works of art, pictures, statues, figurines, ornaments, decorations, photographs, films and film extracts, authenticated by non-fungible tokens or other digital tokens; software for data storage and content access limitation authenticated by digital tokens used with blockchain technology; downloadable computer software and electronic programs featuring blockchain-based non-fungible tokens for use online and in online virtual worlds;

الإمارات العربية المتحدة وزارة الاقتصاد

downloadable computer software and electronic programs for the creation and the provision of blockchain-based non-fungible tokens for use online and in online virtual worlds; downloadable computer software and electronic programs for the certification of blockchain-based non-fungible tokens for use online and in online virtual worlds; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, animal furs, blankets, carpets, rugs and mats, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, mats and carpets, textile goods, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, luggage, bags, wallets and other carriers, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting

and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, clothing, footwear, headwear, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, glasses, sunglasses and contact lenses including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, jewelry, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, key rings and key chains and charms therefor, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing,

الإمارات العربية المتحدة وزارة الاقتصاد

sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical smartwatches, sporting articles and equipment, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, furniture and furnishings, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, tableware, cookware and containers, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, paper and plastic boxes, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for

الإمارات العربية المتحدة وزارة الاقتصاد

electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, stationery, writing implements, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, body cleaning and beauty care preparations, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, cleaning and fragancing preparations, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, household utensils for cleaning, including for access and use in online environments, virtual online environments, extended reality virtual environments;

الإمارات العربية المتحدة وزارة الاقتصاد

downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, treatment for materials, including anti-rust treatment for vehicles, room fragrances, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, skin, eye and nail care preparations, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects, on a blockchain network featuring or linking to digital or physical, sweeping, cleaning, washing and laundering machines, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, sweeping, cleaning, washing and laundering machines, including for access and use in online environments, virtual online environments, extended reality virtual environments;

الإمارات العربية المتحدة وزارة الاقتصاد

downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, intellectual property assets, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music and visual effects on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of data, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, apparatus and instruments for accumulating and storing electricity, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for electronically trading, storing, sending, receiving, accepting and transmitting of interactive media, video clips, photography, music, data, visual effects, digital files, digital collectibles, crypto-collectibles and non-fungible tokens on a blockchain network featuring or linking to digital or physical, engines, powertrains, and machine parts, including for access and use in online environments, virtual online environments, extended reality virtual environments; downloadable computer programs for
